PART 1
THE DOCTOR AND CLARA ARE IN TROUBLE!
DOCTOR! *HOLD ON!*
WELL, OF COURSE I'M GOING TO HOLD ON. I'M NOT GOING TO *LET GO* NOW, AM I?

PULL FASTER, CLARA. WE NEED TO GET INSIDE. COME ON, I'M VERY LIGHT!
INSIDE THE CLOCK TOWER...
TELL ME WHAT'S HAPPENING, DOCTOR.
THIS VERY IMPORTANT BUILDING IS FAMOUS FOR IT'S BIG BELL TOWER. EVERY CONLANIAN IN THE CITY CAN HEAR IT RING ON THE HOUR, EVERY HOUR.
THE SIBRO HAVE USED THEIR ALIEN TECH TO ALTER THE BELL. WHEN THE CLOCK STRIKES TWELVE SOMETHING BAD WILL HAPPEN!
WE'D BETTER GET UP THERE FAST!
THE SIBRO APPEAR!
IF IT WAS THAT EASY, CLARA, I'D BE UP THERE RIGHT NOW, DOING A DANCE. BUT THE SIBRO ARE HERE.
STAY THERE! GO NO FURTHER!
CONTINUED ON PAGE 30!

CHIME TIME
PART 2
THEY'VE GOT SONIC WEAPONS – THEY USE SOUNDWAVES AND VIBRATIONS. THEY DON'T HAVE EARS, SO IT DOESN'T AFFECT THEM.
VUSHH
URGH!
VUSHH
TARDIS TRACKER 5
Who plays the new Doctor? The answer is on page 34!
IF THEY USE SOUNDWAVES, THEN THEIR TECH COULD TURN THE BELL IN THIS TOWER INTO A MEGA WEAPON!
YOU CATCH ON QUICKLY, CLARA. THEY USE AMPLIFIED NOISE TO DESTROY CAPITAL CITIES AND TAKE THEM OVER. WE HAVE TO STOP THEM!
THE DOCTOR HAS A SECRET WEAPON.
WE'LL NEVER GET TO THE TOP OF THE TOWER IN TIME.
IF WE CAN'T STOP THE BELL FROM RINGING WE'LL HAVE TO MUFFLE IT. INSULATE IT. DAMPEN IT. MAKE IT HUSH. AND THIS WILL HELP!
GGRRZZZZAP
SORRY ABOUT THE MESS, CLARA.
WHAT MESS?

SPLAT! KABOOM!

INSIDE THE CLOCK TOWER...

WHAT... **WHAT...** WAS THAT?

A **GOO BOMB**! IT TAKES SOMETHING **THICK** AND **GLOOPY** TO STOP THE VIBRATIONS THAT CARRY SOUND.
